# How to set your CAS password with state (or commercial) verified and trusted identity

On the website https://ldap.cuni.cz/idportal/reset you fill in the details of your account so we can find you in the database: CU ID personal number, login name, verified personal email or phone number; Alternatively, give us your name, surname, and date of birth. Then just press the **Proceed** button.

From the available options, choose **State (or commercial) verified and trusted identity** and click "**Proceed**.

Verify your identity

These are the identification methods recommended for you:

State (or commercial) verified and trusted identity.

Proceed →

Verify your biometric identity document (passport, ID card) with mobile phone app.

Proceed →

Other available methods

You may also try one of these methods:

Sign-on using institutional account of eduID.cz federation member.

Proceed →

Sign-on using account at institution participating in global eduGAIN network.
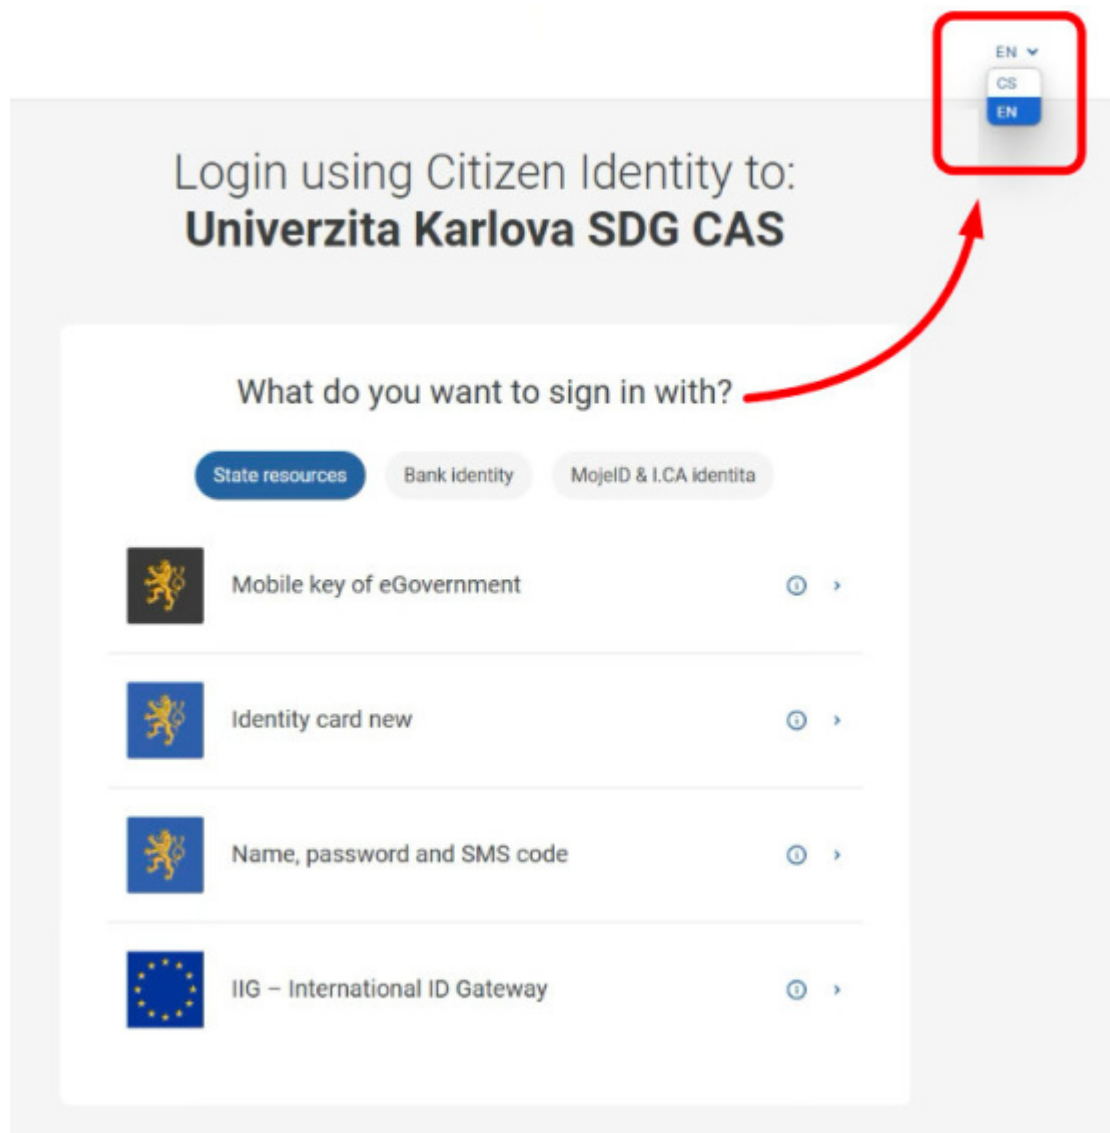

Proceed →

We will ask you to fill in some personal data and confirm via e-mail message.

Proceed →

You will be redirected to the Czech portal for logging in using the citizen identity. Here, it is first necessary to switch to the English language in the top right.

Now choose the **IIG – International ID GW** option.

Login using Citizen Identity to:
**Univerzita Karlova SDG CAS**

What do you want to sign in with?

State resources    Bank identity    MojeID & I.CA identita

Mobile key of eGovernment

Identity card new
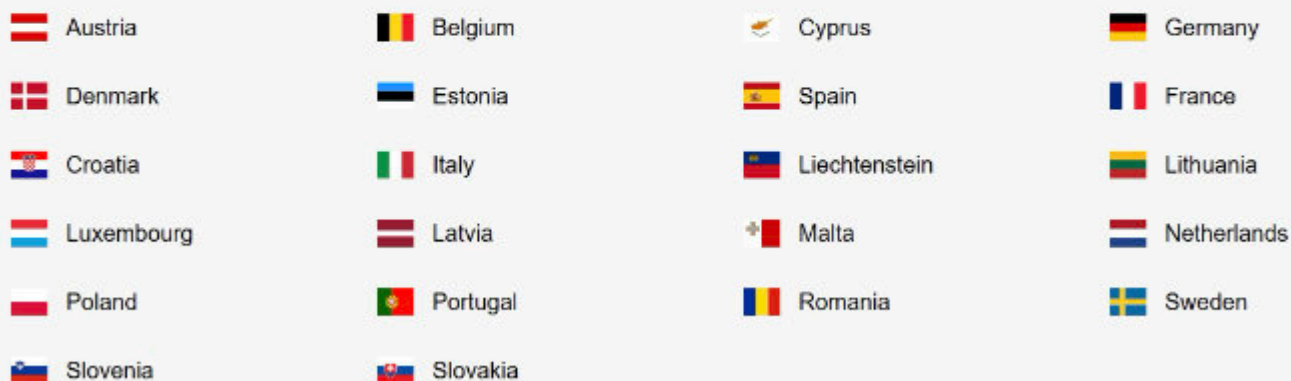

Name, password and SMS code

IIG – International ID Gateway

Now, you can choose the right option according to your home country/nationality which has the citizen identity available.

## Choose your country to proceed with authentication

| | | | |
|---|---|---|---|
| 🇦🇹 Austria | 🇧🇪 Belgium | Cyprus | 🇩🇪 Germany |
| 🇩🇰 Denmark | Estonia | Spain | 🇫🇷 France |
| Croatia | 🇮🇹 Italy | Liechtenstein | Lithuania |
| Luxembourg | Latvia | Malta | Netherlands |
| 🇵🇱 Poland | 🇵🇹 Portugal | Romania | 🇸🇪 Sweden |
| Slovenia | Slovakia | | |

The selected option will take you to the national citizen identity portal (here is an example of Spain).

Next, you follow the authentication procedure of the corresponding identity verification portal in your country. By the end, you will be asked to agree with releasing of your personal data. Please, confirm your choice.

After successful identification, you are redirected back to the university portal and asked to enter a new password (the new password must be repeated to avoid typos). Press the **Submit** button to finish setting the new password.

Your identity has been verified.
