
Setup using the geteduroam application

Valid for Android

Before you begin:

- **You need to be online to complete the setup.**
You can either use your mobile data plan or configure it in advance while connected to another trusted network, for example at home.
- **Have your eduroam login credentials ready.**
If you have not yet set your eduroam password or cannot remember it, log in to <https://ldap.cuni.cz> and, in the left-hand menu under *Additional accounts / Set password for eduroam realm cuni.cz*, create a new password or check the one currently set. *The CAS password does not work here.* [More information is available there](#) .

Setup procedure:

1. Install the geteduroam app on your phone:

[Get geteduroam.app](#)

or scan the QR code with your phone:

2. On the page that opens, check that the correct application is selected and tap **Install**:

[See details](#)

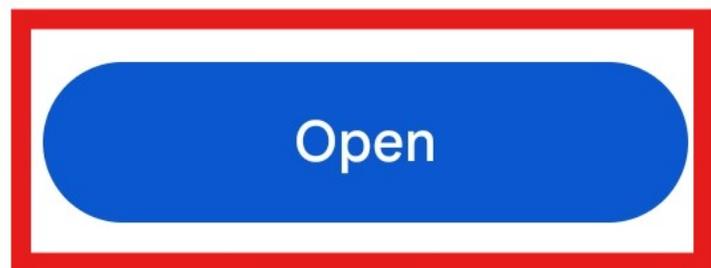

3. After installation, tap **Open**:

geteduroam

Installed

4. In the list of institutions, find and select either **Charles University** or **Univerzita Karlova**:

🔍 Char|

Charles Darwin University

AU

Charles Lwanga College of Education

ZM

Charles Sturt University

AU

Charles University

CZ

CNRS - Délégation Centre Poitou-Charentes

FR

College of Charleston

5. If you see the network name **eduroam** in the list of Wi-Fi networks on your phone, use **eduroam**. If you usually see **eduroam-cuni** in the list of networks, select that profile. In most cases the network is called **eduroam**. Then tap **Connect**.

Select a profile

Charles University

SSID eduroam

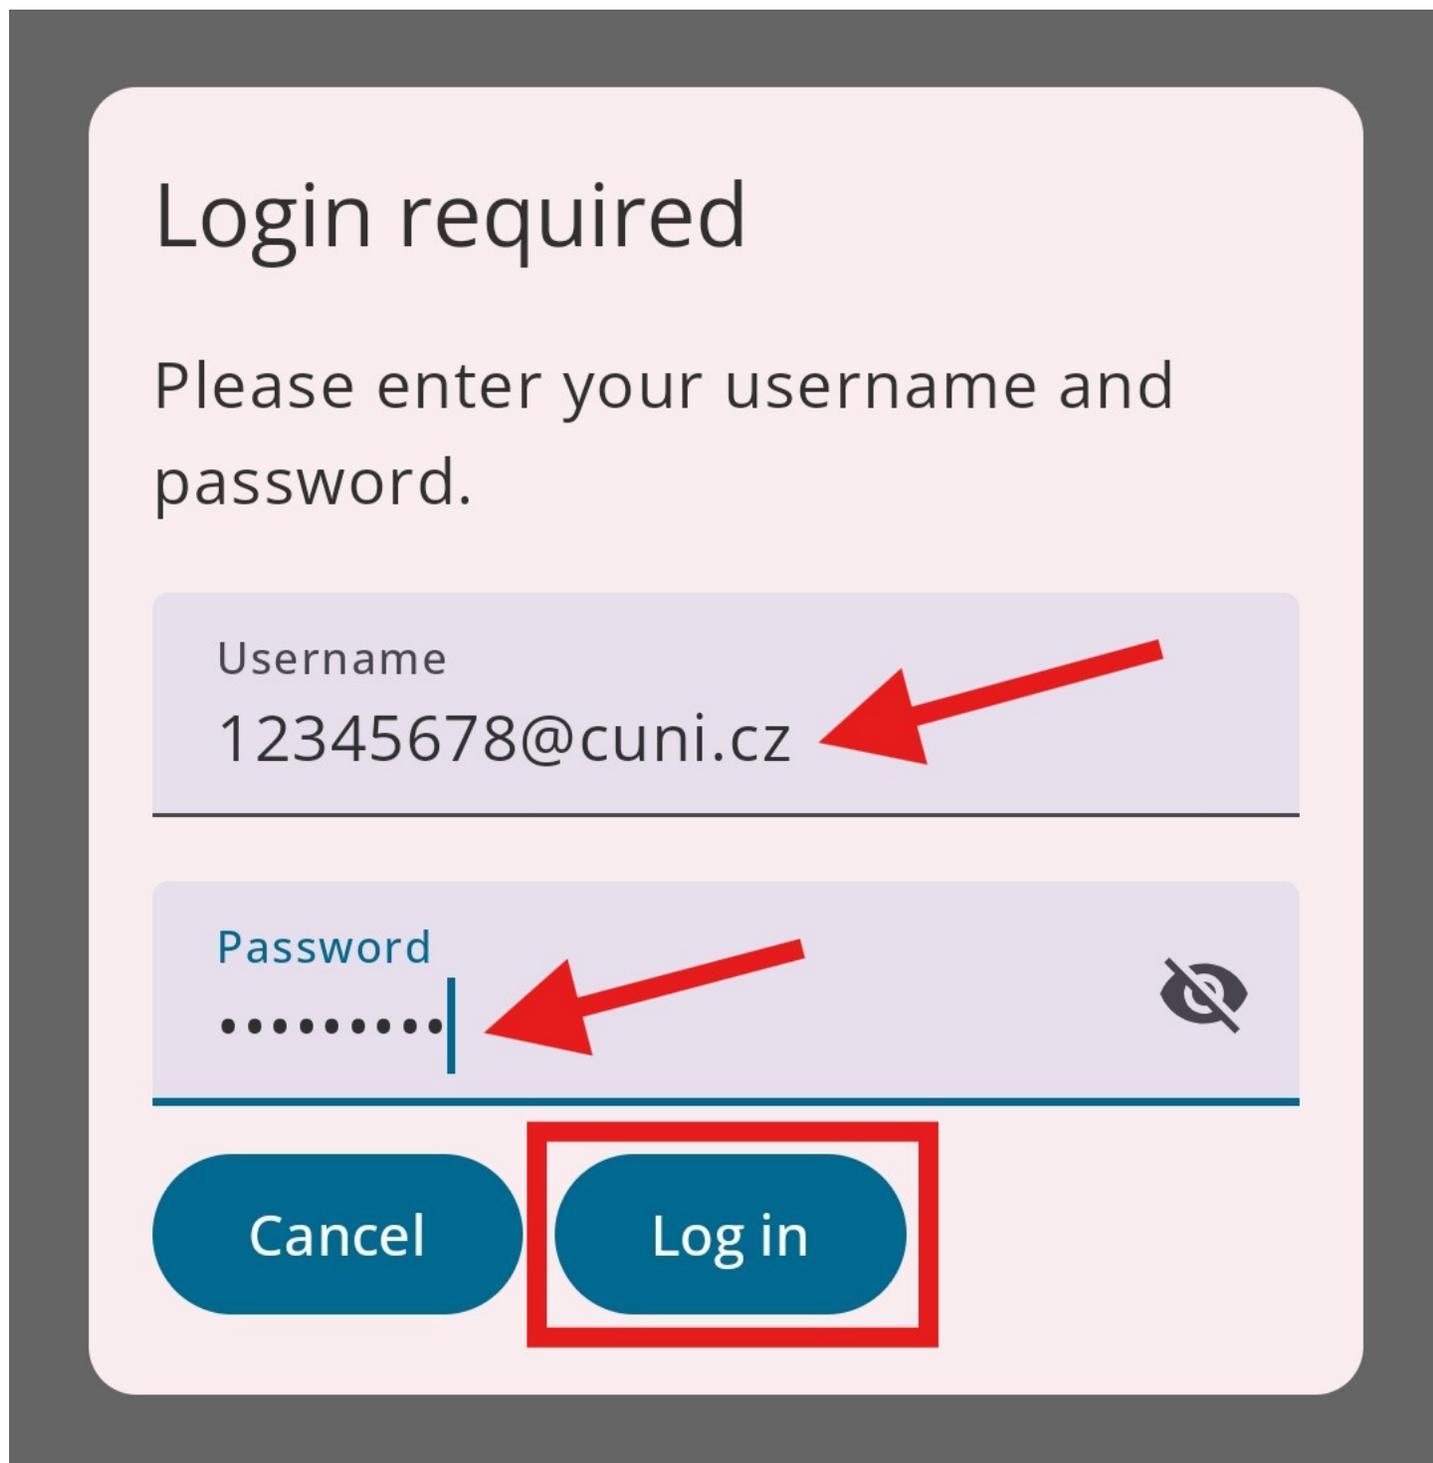

SSID eduroam-cuni

6. Enter your eduroam login credentials and tap **Log In**:

Tip: If you are unsure what these credentials are, you can [find more information](#) there. The username has the **format your_personal_number@cuni.cz** (e.g. 12345678@cuni.cz)

The screenshot shows a login dialog box with the following elements:

- Title:** "Login required"
- Instruction:** "Please enter your username and password."
- Username field:** Labeled "Username" with the text "12345678@cuni.cz". A red arrow points to the end of the text.
- Password field:** Labeled "Password" with a masked input (dots) and a cursor. A red arrow points to the end of the input.
- Visibility toggle:** An eye icon with a slash through it on the right side of the password field.
- Buttons:** "Cancel" and "Log in". The "Log in" button is highlighted with a red rectangular border.

7. Tap **Save** to add the eduroam profile to your device:
